- Features strong double sided magnets so the bar will stick to most any steel surface, no screws needed, and hold several heavy duty tools at the same time.
- Industrial looking carbon fiber textured finish will not scratch and can easily be relocated to where it is needed leaving no damage behind.

- Length of the bar is flexible enough to contour onto a rounded surface, like a fender, so you can keep your tools off the ground, at hand, and visible.
- Perfect for workshops, garages, home, and inside your truck or van.
- 2 Tool bar holders are included that measure 11 x 2.5 x 7/16 in. thick and weight 0.5 lbs each.
