Doodle Socks

Turn 6 socks into cute colorful creations! Your kit includes all you need to doodle your socks and create fun fashions for your feet!

Warning: Read all instructions before you begin. Fabric markers include permanent ink. This ink may stain fabric, furniture, skin, and other surfaces. Seek adult permission and assistance before you begin. Wear old clothes and cover your work surface with newspapers. Always hand-wash your socks separately using mild soap and cold water. Hang them to dry. Failure to do so may result in the dyes transferring to your skin, clothing, and other surfaces.

 **WARNING:**
CHOKING HAZARD - Small parts.
Not for Children under 3 years.

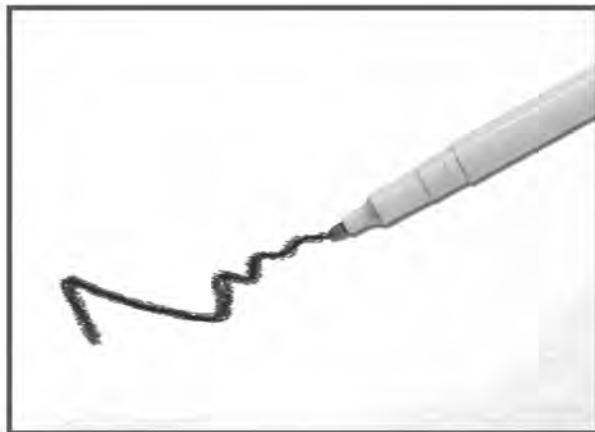

Doodle Time

As you color, be sure to keep your markers tightly capped when not in use. This will keep them from drying out.

1. Slide the insert into your sock. This will prevent the marker from transferring to the other side of your sock.

2. Gently shake your markers. Try them on a piece of scrap paper first to make sure the ink is flowing.

3. Fill in your design. Do not color on the bottom of your socks. You may need to hold your sock down as you're coloring it in.

- Once you've finished, remove your sock insert and repeat to finish the pair.

- Let your socks dry flat overnight. After 24 hours, ask an adult to help you hand wash your socks in cold water with mild soap. Hang your socks to dry per the care instructions below.

Sock Care Instructions:
Hand wash. Cold wash with similar colors, only non-chlorine bleach when needed, line dry, cool iron if needed..

Helpful Hint: If your marker starts to dry out, quickly dip it in water. Do not soak your marker, or else you'll have soggy socks!

Sock Fiber Content: 65% Cotton, 32% Polyester, 3% Spandex

Note – After washing and wearing, the colors may fade and blend over time. This is a normal part of the fabric dye process. Save your markers to touch up your designs.
