24/7 HELP For 24/7 customer support, visit feit.com/help

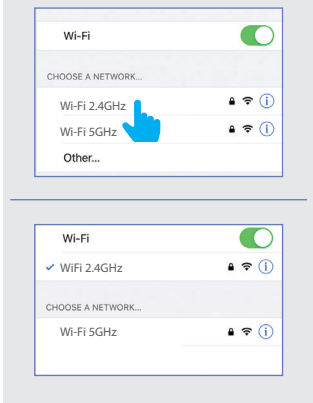

System Requirements
Minimum: iOS 9.3, Android™ 4.4 KitKat® or higher
- Dedicated 2.4GHz Wi-Fi Network -

Your screen images may differ from this user guide.

BEFORE USING THIS USER GUIDE FOR INCLUDED INSTALLATION GUIDE FOR PROPER PRODUCT INSTALLATION.

NOTE: Only works with 2.4GHz Wi-Fi networks.

Go to your Wi-Fi settings and connect your phone to your 2.4GHz Wi-Fi network.

Set Up Device

- 1 Download the **Feit Electric** app.
- 2 Launch the **Feit Electric** app. Enter an email address to register, then tap **Continue**. A verification code will be sent to your email.
- 3 Create a password then tap **Done**.

Permissions & Location Access

- 4 **Enable Bluetooth** on your smart device to facilitate simple pairing.
- 5 **Allow the Feit Electric app** to access your location to help connect your Chasing Strip Light.

Simple Pairing Mode

- 1 Make sure the Chasing Strip Light is blinking, then tap **Add Device** or the plus icon (+) on the upper right corner.
 - 2 The Chasing Strip Light name(s) will appear in a small window for simple pairing enabled devices. Tap **Go to add**.
 - 3 Select one Chasing Strip Light from the list. Tap the plus icon (+).
- NOTE: If your Chasing Strip Light is not blinking make sure it is on by pressing the power button on the control module. Then press and hold the power button until the unit starts blinking.**

Alternative Set-up Method EZ Mode

- 1 Tap the plus icon (+) in the upper right corner.
 - 2 To rename press next, tap the **Pen** icon, enter the new name and tap **Done**. The Chasing Strip Light is now ready to be controlled with the **Feit Electric** app.
- NOTE: Use EZ Mode to set up multiple smart products at the same time or if there are issues with simple pairing.**

- 2 Tap **Lighting**, then select **Chasing Strip Light**.

Alternative Set-up Method AP Mode

- 1 Tap the plus icon (+) in the upper right corner.
 - 2 Tap **Lighting**, then select **Chasing Strip Light**.
- NOTE: AP Mode is an alternative method to connect your device if Simple Pairing Mode and EZ Mode are not successful.**

- 3 Choose **AP Mode**. Make sure your Chasing Strip Light is in AP pairing mode (light should flash one time every two seconds). Tap **Confirm** then tap **Next** to go on to the next step.
- NOTE: If the Chasing Strip Light is flashing, hold the control module power button again for another 5 seconds to enter in AP mode. It will blink slower.**

- 4 Enter the name of your 2.4GHz Wi-Fi network, enter your password and tap **Next** to begin connecting.
- NOTE: Your Wi-Fi network name and password are case sensitive.**

- 5 Tap **Go connect**. In your smart device's Wi-Fi settings, choose the **SmartLife-XXXX** network.
 - 6 In your smart device's Wi-Fi settings, choose the **SmartLife-XXXX** network. After you have connected to **SmartLife**, return to the **Feit Electric** app.
- NOTE: After connecting the Chasing Strip Light, your smart device will automatically rejoin your original 2.4GHz network.**

- 7 Your device should begin connecting using **AP Mode**.
- 8 If you see this screen your device was added successfully.

Features

- 1 **Individual Chasing Strip Light On/Off**
Tap the Chasing Strip Light icon to turn the Strip Light On/Off.
- 2 **Individual Chasing Strip Light Operation**
Press and hold the Chasing Strip Light icon for two seconds to enter operation.

Dimming

- 3 Under **Brightness** setting, tap and hold the circle. Slide left or right to adjust the brightness.

Custom Color Changing

- 4 Drag the circle on the color wheel to change the color. Or under **Classic color**, tap your desired color.

Music

- 5 Tap the **Smart** icon to sync your light with the rhythm of music. Your smart device must remain on the **Smart** screen for continuous synchronization.

Scene

- 6 Tap the **Scene** icon in the bottom of the screen. Select a DIY option (Dinning pattern, Romantic Mode, Entertainment Mode or Part Mode) from the top of your screen.

Modify

- 7 Tap, hold and drag the circle left or right to adjust **Brightness** and/or **Speed** of the light.

Plan

- 8 Tap the **Timing** icon in the bottom right of your screen.

Groups

- 9 Tap the **plus (+)** icon in the top right hand of your screen.

Groups

- 10 Select your desired time then tap **Save** in the upper right hand corner.

Groups

- 1 Tap the **Groups** icon at the bottom of the app home screen.
 - 2 Tap on **Create Group**.
 - 3 Tap on **Chasing Strip Light**.
- NOTE: To create groups you will need at least two Chasing Strip Light. You can only group a Chasing Strip Light with other Chasing Strip Lights.**

Groups

- 4 Select the Chasing Strip Lights that you want to group.
- 5 Tap the group name and enter the name of the group.

Groups

- 6 Once the group is named and the Chasing Strip Lights are selected, tap **Save** in the upper right corner.

Manage Groups

- 7 Tap the **Groups** icon.
- 8 Tap the context menu in the upper right corner (⋮).
- 9 Tap **Manage Group**.

Manage Groups

- 10 Select the group to edit.
- 11 Once selected, tap **Edit** in the upper right hand corner.
- 12 Rename the group or remove a Chasing Strip Light from the group. Once complete, tap **Save** in the upper right corner.

13 Delete Groups

Tap the **Groups** icon.

14 Tap the context menu in the upper right corner (⋮).

15 Tap **Delete Group**.

16 Select the group to delete.

Once selected, tap **Delete Group** in the upper right corner.
