

NICOR[®] OUTDOOR

LED CANOPY VELA - OUC3

The Vela LED Canopy offers high performance in an economical and practical design. The Vela achieves even light distribution using a prismatic, frosted lens that is UV- and fire resistant while its die-cast aluminum housing has convenient knockouts for easy J-Box, surface mount, or pendant installations. The Vela is an efficient outdoor canopy lighting solution for exterior ceilings or for parking garages, car ports, covered walkways, or other commercial spaces.

- Over a 10% increase in efficiency (version 1 to 3)
- Increased lumens
- Now meets DLC 5.1 Premium listing
