

## CRYOGENIC TUBES

### STERILE

Item 42400 • 2 mL

Item 42401 • 5 mL

- Designed for safe storage and transport of biological materials at extremely low temperatures
- Crafted from high-quality plastic materials for optimal durability and reliability
- Features a screw cap and silicone gasket for a secure, leak-resistant closure
- Self-standing bottoms provide optimal stability
- Externally threaded to reduce the risk of contamination
- Features white writing panel for easy labeling and identification
- Printed, easy-to-read graduation marks allow for precise measurement
- Does not contain DNase, RNase, DNA, or pyrogens
- Do not use in the liquid phase of liquid nitrogen
- 42400: 50 per pack, 10 packs per box, 4 boxes per case
- 42401: 25 per pack, 10 packs per box, 4 boxes per case
