

COVERT M-PACT® 2

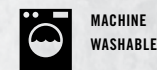

IMPACT-RESISTANT HAND PROTECTION

From racing to industrial safety, the M-Pact® 2 knows no bounds when it comes to protecting your hands from impact, abrasion, and hand fatigue. The M-Pact® 2 delivers updated protection to the fingers and knuckles and improved palm features that allow you to work smarter not harder. The M-Pact® 2 incorporates ARIAPRENE® COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles for enhanced protection against blunt force impact. A re-designed dual layer palm built with EVA foam padding and D30® Aero for protection and Padlock® Silicone grip for increased durability and grip.

FEATURES

- 1 ARIAPRENE® COR foam, EVA foam padding and Thermoplastic Rubber (TPR) across the fingers and knuckles provides enhanced protection against blunt force impact and now meets CE Certification.

D30® PROTECTED BY D30®

- 2 Newly designed dual layer palm featuring 2mm EVA foam padding (palm) and 4mm D30® Aero (heel) for protection.
