

2021 OLD VINE HYLAND VINEYARD RIESLING

VINEYARD

Located in the McMinnville sub-AVA, Hyland Vineyard is one of Oregon's largest and oldest vineyards. The remote site sits in the eastern foothills of Coast Range, benefiting from cooler temperatures in the summer and warmer temperatures in the winter. The vineyard's established plantings thrive in the soil, microclimate, and high elevation unique to this site, which consistently produces fruit with structured tannins and bright acidity. Founding Winemaker Lynn Penner-Ash has been sourcing Pinot Noir and Riesling from the vineyard since 2008.

2021 VINTAGE

The 2021 growing season started relatively warm and dry, with an early heat event in May. An abnormal cool front in June was followed by a major heat dome leading us into one of the warmest growing seasons on record. Warm temperatures continued throughout the summer and September rains gave the vines the last drink of water before harvest.

TASTING NOTES

Aromas of jasmine, tropical fruit, and petrol with integrated flavors of lemon zest, ripe melon and creaminess on the palate.
