

TR14A42U MULTICOLOR USB GLOW CHARGER

Glow Illuminated 4-USB Power Station

The CyberPower USB Glow Charger TR14A42U packs style and power into one compact design, bringing multiple colored light options to your mobile device charger collection. The USB Glow Charger features 4 USB-A charging ports with 4.2A of shared charging output compatible with most mobile devices. Perfect for desks, tables, counters, shelves or bed side tables, the TR14A42U meets the mobile device power needs of today's family.

The glow feature can switch on and off and change color to any fit décor. The USB Glow Charger can be set to continuously cycle through a rainbow of colors, or it can be set to only illuminate a single color of the user's choice.

One-year limited warranty included with CyberPower's high standards of design and quality.
