IndestrucTable® Folding Tables
Classic. Commercial. Industrial. Ultimate.

IndestrucTable® Folding Tables

INDESTRUCTIBLE—incapable of being destroyed, ruined, or rendered ineffective; not able to be destroyed. It is an adjective one uses to describe.

Strong, Durable, Multi-Purpose—IndestrucTable® is Iceberg Enterprises' line of resin tables to meet any need or function. Our durable, blow-molded, high-density polyethylene is scratch- and dent-resistant and easy to clean, and this contemporary looking table has many unique features. The legs are heavy-gauge, gray, powder-coated round tubing with bracing for strength, and they include non-mar plastic feet. The legs fold into a protective cavity for compact storage.

The table stands at 29" and will accommodate large, evenly distributed loads. All this comes with Iceberg's best-in-industry 15-year limited warranty.

Our **IndestrucTable®** line of folding tables are so multi-functional you'll wonder how you lived without them. To help you find the right table for your use, we have grouped the IndestrucTable® offering into four series: Classic, Commercial, Industrial and the Ultimate.

CLASSIC

These IndestrucTable® tables are for everyday, standard uses and have a weight capacity of up to 600 lbs, evenly distributed. They are perfect for home gatherings and holidays, tailgating, garage sales, and light office and business functions.

COMMERCIAL

One step higher than the Classic table, they are a hard-working addition with a weight capacity **over 600 lbs**., evenly distributed, and can easily handle everyday loads.

INDUSTRIAL

This is our workhorse line of tables, with a weight capacity of **2,000 lbs**, evenly distributed. It supports the heaviest loads.

ULTIMATE

Extreme **strength and durability** are here combined into one table. **The faux granite inlay creates a smooth writing surface**.

With a load capacity of **1500 lbs**., evenly distributed, this table is attractive for any event yet strong enough for warehouse assembly.
