

# 212 FR LEATHER PALM C5

The 212 FR LEATHER PALM C5 is the next step in welding innovation. With a goat skin leather palm and an EN388 cut 5 liner, this glove provides protection in the toughest of conditions. The fire resistant, cotton back-of-hand allows breathable dexterity to help keep you welding all day long and a performance fit cuff allows a custom fit.

## PERFORMANCE FIT CUFF

- Adjustable Hook and Loop Enclosure
- Keeps Dirt & Debris Out of Glove

## FIRE RESISTANT BACK OF HAND

- Additional Heat Protection
- Flexible for Additional Dexterity
- Breathable

## REINFORCED FINGER CAPS

- Increases Life of Glove
- Keeps Fingertips Protected

## GRADE-A GOATSKIN PALM

- Fire Resistant Kevlar® Stitching

## CUT 5 LINER

- EN 388 Cut Level 5
- Provides Protection from Cuts and Abrasions
