Lenora Color Select LED Mirror

By Eurofase

Description

The Lenora Color Select LED Mirror shines beautifully with its modern design and integrated LED light. It features a contemporary finish that works well with many interior styles, and provides bright illumination for your space. Using the touch buttons on the front, you can easily turn the light on and off, dim it, adjust color temperature, and turn the defogger on and off. The mirror also has memory, returning to the last light settings used when turned off and on using a wall switch.
