

Wheelchair Seatbelt

The DME Care Solutions Wheelchair Seatbelt is a secure fabric belt designed to attach easily to most manual wheelchairs. Crafted from durable yet comfortable material, the belt adjusts to accommodate various needs, while helping improve user safety. The quick-release buckle allows for convenient fastening and removal. Ideal for use in hospitals, long-term care facilities, and other healthcare environments.

- Adjustable lock-and-release straps provide a secure, customized fit
- Durable, comfortable fabric offers long-lasting performance
- Compatible with most manual wheelchairs
