

## Care & Maintenance

**This furniture is designed for indoor use.**

Marble tops are factory polished to a smooth gloss finish and are sealed for added protection. In order to maintain the surface and keep it looking fresh and natural, we recommend the following procedures:

- For regular cleaning, use a damp cloth with warm water, rinse and dry thoroughly to prevent streaks
- Wipe off any spills immediately
- Never use abrasive cleaners or rough cleaning pads, these types of cleaners can etch or dull stone surfaces
- If necessary, a soft buffing pad can be used

**To help protect your metal furniture, follow these steps:**

- Use a humidifier, preferably one with an automatic control system that can sense the humidity level and adjust itself accordingly
- Dust with soft dry cloth
- Wipe up spills promptly
- Clean with a dry cloth
- Do not use abrasive cleaners, chemical solvents, strong detergents, cleaners with bleach, and furniture polish
- Use soft felt base coasters, placemats to help prevent scratches
- Keep furniture out of direct sunlight, which can cause cracking or roughness on the protective layer
- If it can be avoided, do not put furniture near heating vents
- Keep the furniture 3 to 4 inches away from the wall, giving heat and air space to circulate
