

# MP1081SS MULTI PACK SOLUTIONS

## Protect home and office computers, electronics, and home theater equipment

The MP1081SS USB and Surge 2 Pack safeguards common home and office devices, such as computers and electronics, by absorbing spikes in energy caused by storms and electrical power surges. Both units in the 2 pack provide a high level of surge protection - 1500J for the 4 outlet, and 2100J for the 8 outlet. Both surge protectors have two USB-A ports, and the 4 outlet adds a USB-C port to give the ability to charge mobile, USB enabled devices.

Both surge protectors feature metal oxide varistor (MOV) technology and come with Limited Lifetime Warranties and Connected Equipment Guarantees.

### TYPICAL APPLICATIONS

- Desktop Computers
- Personal Electronics
- Routers & Modems

## SPECIFICATIONS

	P405UC1	P805U
