

2 & 3-STEP STEP STOOLS WITH XL STANDING PLATFORMS IN NON-CONDUCTIVE FIBERGLASS & AIRCRAFT GRADE ALUMINUM

1. VERSATILE TOP CAP

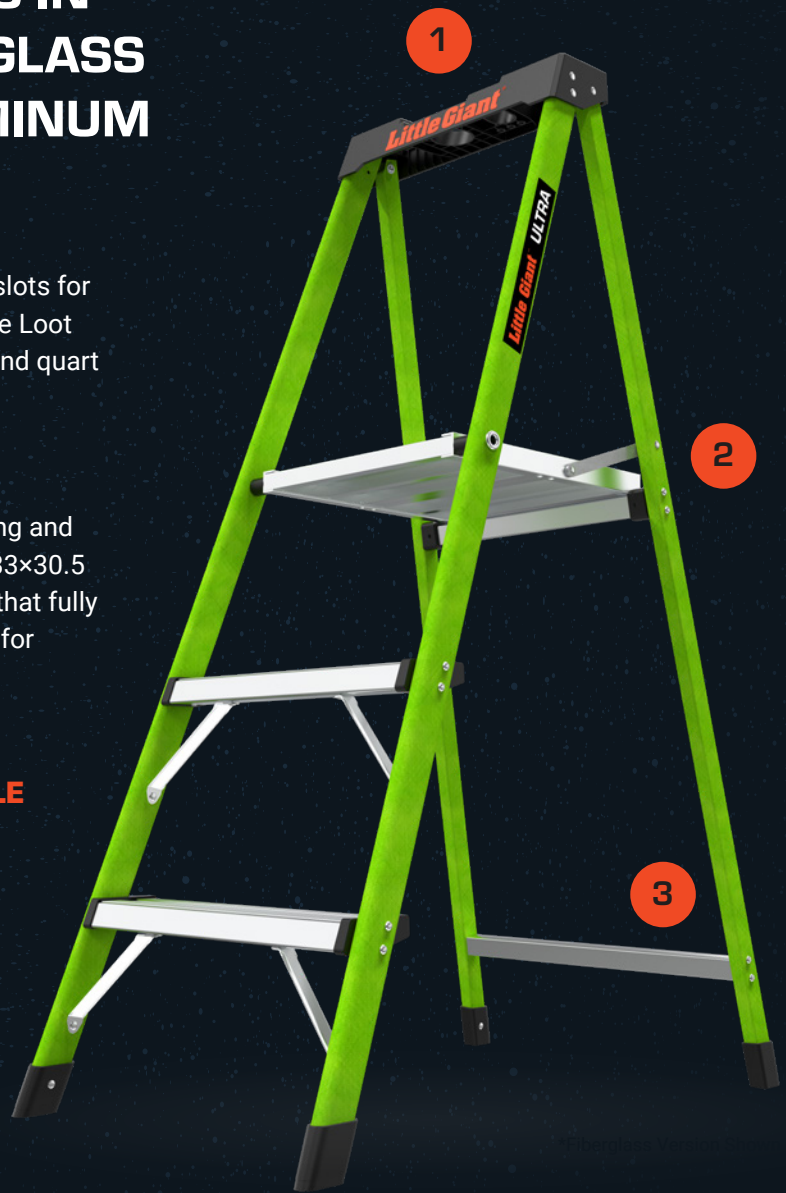

The Ultra's innovative top cap features accessory slots for existing and future Little Giant accessories (like the Loot Box[™] or Strap Holder[™]), a magnetic tray, a gallon and quart friction-lock system, tool holes, and slots.

2. COMFORTABLE XL STANDING STEP

Extra-wide 7.6 cm steps with treads prevent slipping and foot fatigue, and lead to a large standing step. At 33×30.5 cm the standing step creates a sturdy workspace that fully supports the feet, allowing you to work in comfort for extended periods of time.

3. NON-CONDUCTIVE FIBERGLASS OR AIRCRAFT-GRADE ALUMINUM AVAILABLE

Non-conductive Hi-Viz Green fiberglass boosts visibility and electrical safety, while aircraft-grade aluminum provides lightweight strength – both reinforced by a fully enclosed rail design that reduces stress and extends durability.
