**CREATIVITY  
counts®**

Creativity Can™ develop the skills  
needed to achieve lifelong success.

Creativity develops children's problem  
solving and critical thinking skills – it's the  
catalyst for invention, innovation and  
ideas that influence the future.

FUNCTIONAL SHARP POINT

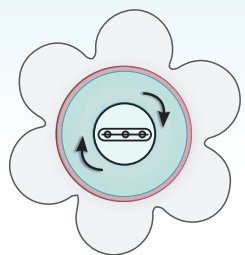

## MAKE

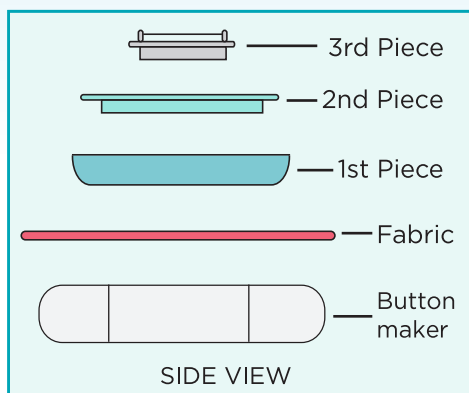

Push fabric and 1<sup>st</sup> plastic piece inside button maker.

Tuck fabric into the back of the 1<sup>st</sup> plastic piece. Pull up on edge of button maker to help. Cover with the 2<sup>nd</sup> plastic piece.

Screw the 3<sup>rd</sup> plastic piece onto the back to finish. Remove your fabric-covered button from the maker.

## DECORATE

Follow the pictures on the box to make a matching set, or mix them up to create your own festive characters!

Sticky dot

Use a few sticky dots to attach larger felt pieces.

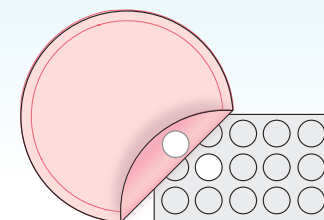

Stick on adhesive felt cheeks, ears, mouths, and noses. Add wiggly eyes to complete their faces.

Finish the buttons with pom poms and rhinestones. Use a sticky dot to stick the pom poms on the end of the hats.

**PRO TIP:** Sticky dots are easier to apply if you press the felt onto the sheet and then peel up.

## WEAR

Your buttons are now complete and ready to wear or share with a friend. As with any handcrafted item, avoid getting your buttons wet and treat them with care. Craft glue may be used to secure any loose pieces.
