

THE BATTERY

12V 50Ah

1. The battery is a sealed lead acid battery.
2. The battery is designed for use in a vehicle.
3. The battery is designed for use in a vehicle.
4. The battery is designed for use in a vehicle.

5. The battery is designed for use in a vehicle.
6. The battery is designed for use in a vehicle.
7. The battery is designed for use in a vehicle.

8. The battery is designed for use in a vehicle.
9. The battery is designed for use in a vehicle.
10. The battery is designed for use in a vehicle.

WARRANTY

1. The battery is warranted for 24 months.

2. The battery is warranted for 24 months.

3. The battery is warranted for 24 months.

4. The battery is warranted for 24 months.

5. The battery is warranted for 24 months.

6. The battery is warranted for 24 months.

7. The battery is warranted for 24 months.

8. The battery is warranted for 24 months.

9. The battery is warranted for 24 months.

10. The battery is warranted for 24 months.

DISASSEMBLY

1. The battery is designed for use in a vehicle.
2. The battery is designed for use in a vehicle.
3. The battery is designed for use in a vehicle.

4. The battery is designed for use in a vehicle.
5. The battery is designed for use in a vehicle.
6. The battery is designed for use in a vehicle.

7. The battery is designed for use in a vehicle.
8. The battery is designed for use in a vehicle.
9. The battery is designed for use in a vehicle.
