

Good Sense®

60 Day Air Care System

Good Sense® 60-Day Air Care System features 60 full days of odor control and air enhancements inside and outside the restrooms. Spill proof from start to finish with easy click and twist activation.

Features & Benefits

- Effectively fights odors instead of masking them.
- Fragrance releases into the air to fight odors instead of dropping to the floor like most aerosols. Available in four fragrances.
- Designed to neutralize and eliminate odors in large high traffic areas covering 6,000 cubic feet.
- VOC compliant; contains no propellants. 100% recyclable refills.
- Reliable gravity-operated system which does not rely on batteries, fuel cells, or any other artificial means of power.
- Dispenser is spill resistant and made of durable plastic. It can be mounted by adhesives or can be drilled into wall.

Applications

- Use in restrooms, locker rooms, fitness centers, and healthcare centers

Use Directions - Inserting Refill Cartridges

- To activate, twist clockwise 1/4 turn until it clicks. Clicking sound confirms refill is locked in place.
- Place refill inside mounted dispenser
- Replace cartridge after 60 days.

Use Directions - Mounting the Dispenser

- Attach the plastic hanging plate to the back of the dispenser by inserting tabs into the holes (on the back of plate). Slide up and lock into place.
- Remove paper backing from double-sided tape and mount the dispenser onto the wall (dispenser should be 6 feet above the ground, on a clean wall or toilet stall in the center of the restroom, or near the entryway).
- Push the button on the bottom of the dispenser and swing the cover upwards to open (To lock: insert dispenser key into the hole, push down, and turn clockwise to lock. Turn counter-clockwise to unlock).
- Insert refill as instructed above. Close the dispenser lid.
