# 308 Series - PaintPro® Bloc-it™ Masking Tape

Now with Clean line technology

# BLOC-it™

# 14 DAY CLEAN REMOVAL

## DESCRIPTION

- The **PaintPro® BLOC-it™** masking tape offers an unique combination of fine crepe paper, edge treatment and adhesive formulation.
- Its smooth high quality fine crepe paper assures excellent conformability, cornering and tear strength.
- Our proprietary **BLOC-it™** edge treatment delivers clean, crisp paint lines every time.
- This unique edge treatment prevents the paint from seeping under the tape.
- Finally, the special adhesive formulation, with UV inhibitor, provides superior adhesion and clean removal even after **14 days** exposure.

## APPLICATIONS

- The **PaintPro®** with the **BLOC-it™** clean line technology is recommended for regular surfaces such as cured painted surfaces, glass, wood trim, aluminum, plastic and metal.
- The tape can be applied indoor or outdoor and will remove cleanly up to **14 days**.
