

THE SUNSET COLLECTION™ BY LIPPERT®

Comfort meets quality with the replacement pontoon furniture collection by Lippert®. Shop individual pieces or customize your own layout with our 3D interactive experience. Featuring marine-grade vinyl and rotationally molded bases.

THE NEW BOAT LOOK WITHOUT THE NEW BOAT PRICE.

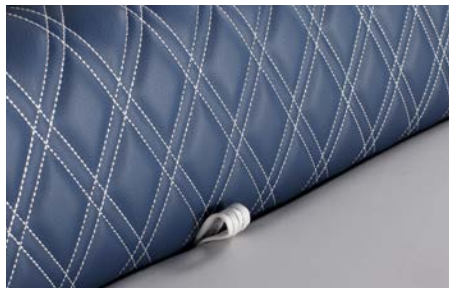

Lippert is the preferred manufacturer and supplier of pontoon furniture by boat builders everywhere. Nearly every new pontoon boat on the market features Lippert pontoon furniture. Now, we're extending the same high-quality craftsmanship and attention to detail that boat builders love directly to consumers.

Durable materials

Crafted using marine-grade polyethylene that won't scuff or warp over time

Stylish and modern

Each piece is available in popular color tones and showcases modern, distinctive features

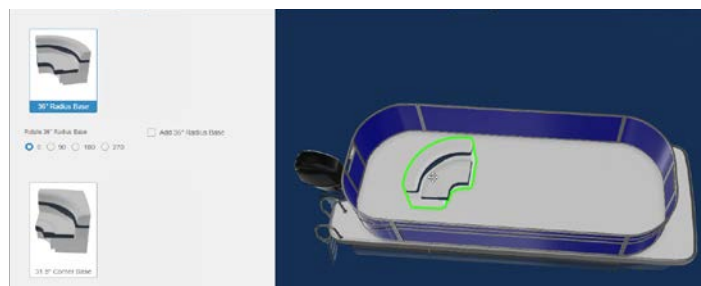

Easy installation

This furniture is easy to install, whether it's a complete boat set or replacing individual pieces
