Features and benefits:

- Adheres to a variety of surfaces, including on corrugated boxes with 100% recycled content.
- Once applied, performs well at cold and freezer temperatures.
- Tamper-evident, clear tape can be custom printed to promote your brand.
- Quick, easy application by hand, manual dispensers or 3M-Matic™ Case Sealers.
- Available in 48mm and 72mm widths.

Provides a tamper-evident seal and the fiber pull demonstration shows how much paper fiber the tape pulls off the box upon removal. The higher percent of fiber pull, the stronger the tape bond is to the box.
