## **INSTRUCTION SHEET**

## Caster Installation for Models 3548, 5860, and MTS-100

## 50084267 fastener kit includes the following:

- 3/8-16 x 1 carriage bolt
- 3/8-16 hex nut
- 3/8 split lock washer

## To install casters:

- Position carriage bolts through square holes in bottom of box.
- 2. Mount casters from underside.
- 3. Put washers over bolts.
- 4. Thread nuts onto bolts.
- 5. Tighten nuts to approximately 20 foot-pounds.
