

Floor Conditioner and Neutralizer prepares your floors for sealing and coating, plus prevents leveling and powdering problems. Dulling, discoloring, and hazing problems are eliminated so floor finishes look better and last longer.

Features & Benefits

Conditions floors for better sealing.

Eliminates odors on floors.

Packaged in portion-controlled pouches.

Item Number & Unit of Measure

Item Number	HIL00831
Unit of Measure	90 Packets/Container

Specifications

Color	White
Fragrance	Non-Objectionable
Formula Type	Powder
Dilution Ratio	1 pac / 3 gallons
PH	4.40

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

1. After cleaning or stripping, remove stripping or cleaning solution.
2. Add one packet to 3 gallons of warm water and stir gently to form a uniform solution.
3. Apply solution with mop, sponge, or cloth.
4. On floors to be sealed or finished, first pick up solution with mop or wet vac, then let air dry. Damp mop rinse with clean water. For other applications, allow surface to air dry.
