

1. Read the story to your student.
2. Read it together slowly. Have the student point to each word as you read.
3. Vowel chunks are a combination of vowels that usually make one sound. Help your student find and mark all the **vowel chunks** in yellow.

What is red, white, and blue?

The American flag! It has 13 red and white stripes. They stand for the first 13 colonies. It has 50 white stars in a blue rectangle. Did you know that the stars stand for our states? The flag did not always have 50 stars. The number changed each time our country added a new state.

Section 2: First Dictation

Write this week's story from dictation. Ask for help if you need it.

What

Handwriting practice lines consisting of multiple sets of blue top lines and green bottom lines.

1. Read the story to your student.
2. Read it together slowly. Have the student point to each word as you read.
3. Together, find all the **vowel chunks** in the passage and mark them in yellow.

What is red, white, and blue?

The American flag! It has 13 red and white stripes. They stand for the first 13 colonies. It has 50 white stars in a blue rectangle. Did you know that the stars stand for our states? The flag did not always have 50 stars. The number changed each time our country added a new state.

Section 2: Second Dictation

See if you can write this week's story from dictation without asking for help.

A series of 20 horizontal lines for writing, alternating between blue and green colors. The lines are arranged in pairs, with a blue line on top and a green line on the bottom of each pair. There are 10 such pairs on the page.
