

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Dispense FABRIC SOFTENER 54 directly from its shipping container using an automatic liquid dispensing system. The authorized representative servicing your facility will establish a program suitable for your individual requirements.

Fabric Softener 54 is a concentrated laundry formulation designed for use in all automatic washers. Softened fabrics have fewer wrinkles and require less ironing. Fabric Softener 54 also reduces static electricity - clothes stay fresh longer and are more comfortable to wear.

Features & Benefits

- Provides static free linen.
- Pleasantly scented.
- Safe on most fabrics.

Item Number & Unit of Measure

Item Number	HIL0355106
Unit of Measure	1 gal Bottle
