## HARD HATS PROTECTIVE HEADGEAR

DEWALT® hard hats are rugged, comfortable, and offer versatile protection. The rigid shell helps protect against falling debris while the suspension system and pillowed brow band inside act as a shock absorber, keeping the shell away from the user's head. Available in cap and full brim styles, DEWALT Hard Hats meet the ANSI Z89.1-2014 Type 1 - Class G & E Standards. They're a must when workers might be exposed to flying or falling objects.

**UNIVERSAL ACCESSORY SLOTS**  
Allow for attaching most hard hat accessories

**LIGHTWEIGHT HIGH DENSITY POLYETHYLENE**  
For impact protection from falling debris

Ratchet dial allows wearer to easily modify fit while wearing the hard hat.

**RATCHET NYLON SUSPENSION**  
Easily adjusts for fit and comfort

Moisture wicking brow band to keep cooler.

Custom imprinting available with 7 day turnaround for in-stock colors.
