

# Mantis<sup>®</sup> 1x2 Discretion

## Insect Light Trap System

The Mantis<sup>®</sup> 1x2 Insect Light Trap comes manufactured with highest grade FEP shatter resistant lamps for extra protection in glass-free zones. Ideal for use in food preparation areas and a variety of other sensitive areas and is a key component in any IPM or LEED program. Attractive, ultra-slim, compact and unobtrusive wall-mounted system. A discreet front cover conceals the catch of the day, which also makes this unit ideal for areas in view of the public. Available in White.

### Features & Benefits

- 2½" in depth: ideal for areas where space is limited
- 30 watts of Quantum power give 180° coverage and optimum performance
- Durable white powder-coated zinc steel for long life
- Easy to remove bottom tray, drop-down guard and front cover for quick and easy no tool service
- Discreet and slim wall-mounted unit
- UL Listed, and 3 year manufacturer warranty
- Patented Reflectobakt<sup>®</sup> sleeves increase attractiveness to insects and slows the drying of the glue board – longer board life and slimmer design
- Two high-powered low mercury, lead-free 15-watt Quantum BL shatter resistant ultraviolet lamps – 100% more effective, 40% more powerful than standard UV lamps

### Applications

- Ideal for use in food preparation areas and a variety of other sensitive areas
- Slim line design catches all sizes of flying insects

# Mantis<sup>®</sup> 1x2 Discretion

## Insect Light Trap System

Mantis<sup>®</sup> 1x2 Discretion systems are ultra-slim, easy to maintain, compact and unobtrusive and only require an occasional change of glue boards. With the Mantis<sup>®</sup> 1x2 Discretion, insects remain intact and out of public view when caught in the capture zone. No noise, no smell, no problem. This allows the systems to be placed closer to sensitive areas. Ideal for use in food preparation areas, healthcare, supermarkets, theme parks, fast food, airports, cruise ship, food processing, and a wide variety of other sensitive environments.

### DIMENSIONS

H: 12½" (31.75cm) W: 19" (48.26cm) D: 2½" (6.35cm)

### WEIGHT

11.5 lb (5.2 kg)
