

STAR SPANGLED SPINNER GARDEN STAKE

Assembly Instructions

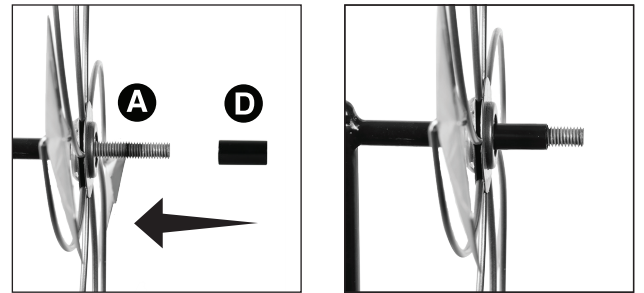

Step 1:

Attach large wheel (B) to top pole (A) by inserting it through the opening.

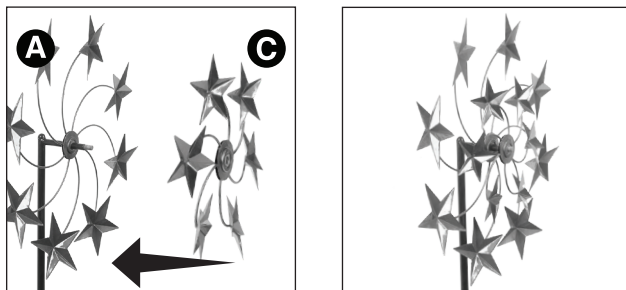

Step 2:

Attach barrel (D) into top pole (A) (the result of step 1) by inserting it through the opening.

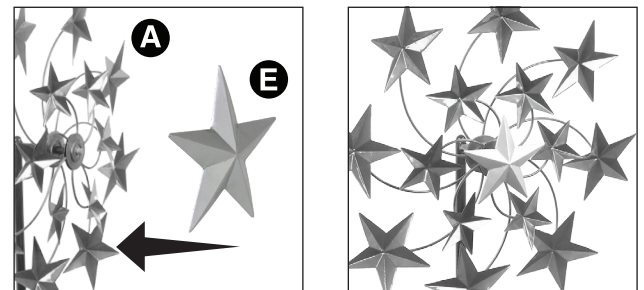

Step 3:

Attach small wheel (C) to top pole (A) (the result of step 2) by inserting it through the opening.

Step 4:

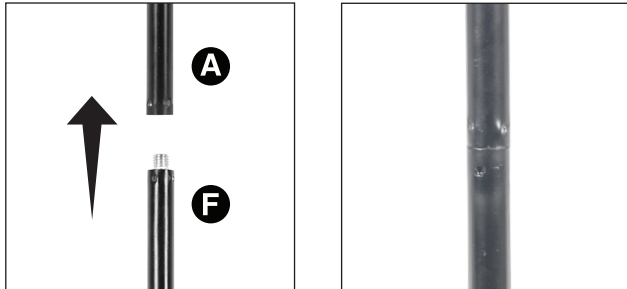

Attach star (E) into top pole (A) (the result of step 3) by screwing it to the right until firmly tightened.

Lay Assembly on the ground for the following steps.

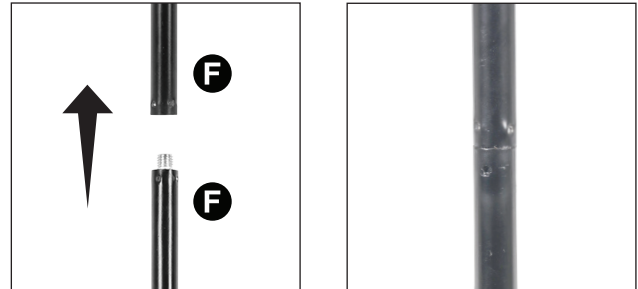

Step 5:

Attach middle pole (F) into bottom of top pole (A) (the result of step 4) by turning it to the right until it is firmly tightened.

Step 6:

Attach secondary middle pole (F) into middle pole (F) (the result of step 5) by turning it to the right until it is firmly tightened.

Step 7:

Slide the stake support (H) into stake base (G) by inserting it through the top. Then attach stake base (G) into the bottom of the middle pole (F) (the result of step 6) by turning it to the right until it is firmly tightened. When everything is assembled, insert stake base firmly into the ground. For best results, install on flat ground and ensure that the stake is 90 degrees vertical to the ground.
