

Bravo™

Heavy Duty Low Odor Stripper

Heavy duty and non-ammoniated for tough stripping jobs without the odor.

Features & Benefits

- Non-ammoniated, non-solvenated formula penetrates through finish build-ups and burnished finishes with no heavy odor
- Powerful formula dissolves all Diversey floor finishes
- Multiple dilution rates for different levels of build-up - all at affordable prices

Applications

- Designed for floor finish removal on VCT, terrazzo, and concrete flooring
- Not intended for use on wood, linoleum, rubber, marble, painted surfaces, or on surface colored and acid dyed concrete floors as this product may harm these surfaces
- Test for softening or color bleeding on asphalt floors before using

Use instructions

- Use appropriate personal protective equipment.
- Dilute product as follows:

Light / Medium build up of Floor Finishes: Dilute product 1 part Bravo™ Stripper with 8 parts cool water (16 fl. oz. / gal.)

Heavy build up of Floor Finishes: Dilute product 1 part Bravo™ Stripper with 4 parts cool water (32 fl. oz. / gal.)

- Blockade areas to be stripped or sealed. Floors will become very slippery when stripper is applied. Exercise Caution.
- Apply liberal amounts of solution uniformly on floor with mop. If splashing occurs, wipe off surfaces with a clean rag dampened with water.
- Let stripper solution soak in for 10-15 minutes. Increase soak time if using cool water. Keep areas to be stripped wet.
- Scrub thoroughly using a stripping pad or brush to break-up film.
- Pick-up all of the solution with a clean mop, wet vac, or an automatic scrubber.
- Thoroughly rinse floor with clear water.
- Let floor dry completely before applying recommended Diversey brand floor finish or sealer.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
