

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Wash & Wax is a specially designed 'two in one' formula which combines a high quality cleaner with a protective wax to leave your car in the best possible condition. The high quality foaming cleaner is formulated to be gentle on painted finishes yet strong enough to remove the toughest dirt and road grime. The wax concentrate coats and protects your car from damaging environmental conditions while creating a streak free, ultra shine finish.

Used regularly, CRC Wash & Wax make wax polishes last longer by adding more wax as you wash. For best results wash once a week.

Biodegradable - safer for the environment. Contains fully biodegradable surfactants within the requirements of the N.H. and MRC (conforms to AS 1792).

II. Features & Benefits

- Two in one formula – Waxes while you wash
- Cleans, shines and protects
- Gentle on all painted surfaces yet tough on dirt and road grime
- Quick and Easy
- High quality foaming action
- Streak free, ultra shine.
- Phosphate free, biodegradable
- Made in NZ

III. Application and Directions

Preparation:

- Pour 30mls (approx. 3 capfuls) of CRC Wash & Wax into a clean bucket.
- Fill bucket with water to create foam.
- Hose off loose dirt and mud.

Application:

- Using a sponge or large cloth, wash car in sections.
- Hose off CRC Wash & Wax after each section is cleaned.
- Chamois to dry for the best result (including windows).

Handy Hints:

To avoid streaking, wash your car in the shade. Rinse sponge or cloth frequently to remove debris that could scratch the paint.

Environmental Information:

Phosphate free, biodegradable. Wash car on lawn if possible.

IV. Typical Properties and Characteristics
