Admiral Craft Equipment Corp. • 3355 Enterprise Avenue, Suite 160 • Fort Lauderdale, FL 33331  
Sales: 516-433-3535 • orders@admiralcraft.com • www.admiralcraft.com

Adcraft's electric water bath steam table is constructed of all stainless steel. All four top openings fit a 12" x 20" full size food pan with no additional water pans needed. The stainless steel water pan is fully welded and has a recessed well that houses the immersed heating element. Thermostatic temperature dial allows for accurate food holding temperature. Comes standard with adjustable stainless steel legs, undershelf and a 3/4" drainage pipe for easy removal of water. The steam table is customized with the optional stainless steel tray rack and optional 9" wide polycarbonate cutting board shelf. This unit ships knocked down and assembly is required. This unit is backed by Adcraft's 1 year limited warranty.

## CONSTRUCTION

- Heavy duty stainless steel body and well
- 4 top openings that fit 12" x 20" full size food pans
- Stainless steel legs with adjustable bullet ends
- Undershelf for storage

## WATER PAN

- Fully welded 304 stainless steel construction
- Recessed well with 3000W immersed heating element
- 3/4" drain for quick and easy draining

## ELECTRICAL

- Single 3000W heating element that runs throughout the bottom of the water well
- Thermostatic control dial
- 5' power cord with NEMA 6-20 plug extends out from underneath the unit
- Low water cutoff sensor with reset button
- 208V/240V, 3000W, 12.5 Amps
