### CARE & MAINTENANCE

2. **Sun Exposure:** As with any product, sun exposure will gradually fade and discolor finishes over time.
3. **Water Damage:** Water will cause natural erosion to the finish and structure of this unit. Damage and degradation resulting from exposure to water are not covered under the product warranty.
4. **Winter Care & Storage:** Store in a dry, indoor location. This item was not manufactured to withstand extreme temperatures. Improper storage that allows water to freeze on or within this product may cause damage.
