Frequently Asked Questions

Does Ring Video Doorbell Wired connect to my existing doorbell chime?

While Ring Video Doorbell Wired connects to the existing doorbell wiring for constant power, it **does not** sound the existing doorbell chime. To continue hearing audio alerts in your home, pair Video Doorbell Wired with a Ring Chime or a compatible Alexa device.

Can Ring Video Doorbell Wired operate on battery power?

No, Ring Video Doorbell Wired is a hardwired doorbell and is designed to be powered by doorbell wires with a power supply of 10-24 VAC.

What is Ring Protect?

Ring Protect is a comprehensive optional subscription service that lets you review, share and save every video and photo captured by your Ring Video Doorbell Wired. Without Ring Protect, you'll still receive real-time motion-activated notifications, real-time video with Live View, Two-Way talk and Lifetime Theft Protection for **free**. If you choose to subscribe, we have two plans:

Ring Protect Basic activates video recording, People-Only Mode, photo capture and sharing for an individual Ring Doorbell or Camera. It saves all your videos to your Ring account for up to 60 days (in the U.S.) and photos for up to 7 days, so you can review and share at any time. Ring Protect Basic is \$3 a month/\$30 annually for one device.

Ring Protect Plus covers ALL Ring Doorbells, Cameras and Alarm at one location and includes everything Ring Protect Basic offers plus an extended warranty and the ability to opt-in to 24/7 professional monitoring with cellular backup for Ring Alarm. Ring Protect Plus is \$10 a month/\$100 annually per home.
