Carmel Road

OUR WINES

Our winemaking team seeks to capture the vibrant, bright flavor profile of Monterey – where the triumvirate of fog, wind, and sun forge distinctive wines with vivid complexity, superb acidity, and a pronounced minerality that have become the hallmark of Carmel Road wines.

CALIFORNIA

Sourced from carefully selected Cabernet Sauvignon vineyards spread across California's finest wine-growing regions, the Carmel Road California Cabernet Sauvignon is an exceptional varietal expression with lush dark fruit notes, rich savory notes, and supple tannins.

VINTAGE NOTES

"Aromas of blackberry, currants, and cassis. Subtle notes and flavors of vanilla, cocoa, and spice. Firm and silky tannins leading to a long and lingering finish."
