3447/50(300')	80610482384
3447/68(300')	80610464853
3447/80(300')	80610464861

### Enhancement:

3M is pleased to announce the 3M Round Conductor Flat Cable Series 3447 is now RoHS Compliant.

3M's intent is to offer products that allow our customers to be in compliance with the European Union RoHS (Restriction of Hazardous Substances) and WEEE (Waste, Electrical and Electronic Equipment) directives. This change does not affect the form, fit or function of the cable, therefore product numbers and stock numbers will remain unchanged. The description, as well as the factory run number, will be updated to include “RC” for RoHS Compliant.

The Round Conductor Flat Cable Series 3447 is available in standard lengths of 100 feet with a minimum order quantity of three rolls. Also available in lengths 300 feet with a minimum of one roll.

No new literature will be issued at this time. Please use the latest electronic revision of TS-0830 which lists the RoHS and WEEE compliance in the Features and Benefits section.

## Actions Required:

- Please notify customers of this enhancement.

Thank you for your continued support of 3M products.
