

SPEEDKNIT™ M-PACT® THERMAL S5DP05

NITRILE COATED IMPACT WINTER GLOVES

Our SpeedKnit™ M-Pact® Thermal S5DP05 winter gloves come in handy on cold wet work days with a lightweight 15-gauge nylon outer and 10 gauge brushed acrylic thermal knit liner to keep your hands insulated from the elements. These gloves are fully dipped to prevent the elements from sneaking in and feature sonic-welded TPR for a seamless fit and ANSI Level 1 impact resistance. The working side features touchscreen capable sandy nitrile palm coating so you can work outside with confidence.

FEATURES

- 1 Comfortable 15-gauge knit Nylon outer and 10-gauge brushed acrylic liner provide insulation in cold climates.
- 2 Fully nitrile coated fingers and back of hand prevent the elements from sneaking in.
- 3 Insulating compression cuffs provide a secure fit.
- 4 Anatomical M-Pact TPR meets ANSI 138 Level 1 impact standard.
- 5 Rugged sandy nitrile palm coating with textured grip offers high abrasion resistance and dry grip performance.
- 6 Durability performance meets ANSI Level 3 abrasion standard.
- 7 Touchscreen capable to keep users safe and connected.
- 8 REACH Compliant.
