

3M Science.
Applied to Life.™

Helping schools and institutions social distance.

You want students to stay as safe as possible, but learning in a classroom doesn't work well for social distancing. When you're adding partitions to help provide a closer form of separation, consider our attachment options such as 3M™ Dual Lock™ Reclosable Fasteners and 3M™ VHB™ Tapes.

Learn more about attachment solutions for partitioning at [3M.com/reclosablefasteners](https://www.3m.com/reclosablefasteners).

**Secure
Attachment**

For easy assembly of partitions and shields/guards.

Repositionable Attachment

3M™ Dual Lock™ Reclosable Fasteners

Offers strong, reliable holding attachment for assembling partitions, yet can easily be disassembled for cleaning or other reasons.

- ▶ Easy to apply, requires no special tools
- ▶ Resists damage from disinfectants
- ▶ Can detach and reattach multiple times
- ▶ Customizable to any shape or size

Permanent Attachment

3M™ VHB™ Tapes

Quickly and securely join materials like plastic and metal without traditional mechanical fasteners like screws.

- ▶ Easy to apply, requires no special tools
- ▶ Resists damage from harsh cleaners
- ▶ Join multiple materials
- ▶ Customizable to any shape or size

3M attachment systems are easy to apply and feature 3M Adhesive Technology for repositionable and permanent applications.

Product Selection and Use: Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property. **Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price. **Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
