# D1.7

## Encapsulated Pot and Pan Detergent

Encapsulated, solid hand dish detergent. This high-active detergent produces long-lasting suds and sparkling clean dishes, pots and pans, glasses and food preparation equipment.

### Features & Benefits

- Has long lasting suds and delivers sparkling clean dishes, pots and pans, glasses and food preparation equipment
- Advanced surfactant system delivers reliable performance in all water conditions
- Excellent foam stability even in the presence of oily soils
- Designed to maximize economy and mileage in a compact, off the floor system
- Emollients built into the formula keep it gentle on hands

### Applications

- Encapsulated pot and pan detergent
- Auto-dispensed through the OPTIMIZER™/MC system

# Suma<sup>®</sup> Pronounce<sup>™/MC</sup> D1.7

Encapsulated Machine Dish Detergent

## Use Instructions

- The product should be used at 1/16 to 1/8 wt. oz. per gallon for best results. For a 10-gal. sink, 120°F water at 20 psi is recommended (if the OPTIMIZER<sup>™/MC</sup> system is on a timer, use a setting of 30 seconds at the above water conditions).
- Trigger the dispenser to initiate the flow of Suma<sup>®</sup> Pronounce<sup>™/MC</sup>
- A concentrated flow of pre-diluted product will be released into the sink. This may be supplemented with hot water delivered from the hand taps.
- Wash ware in the cleaning solution and follow with a clean water rinse. Food contact articles must be immersed in a final rinse using an appropriate concentration of sanitizer in water.
- Adjust usage to obtain desired suds level and performance. Rinse cleaned items and sanitize per local health requirements.

## For Food Plant Use

- All food contact surfaces must be thoroughly rinsed with potable water and sanitized after treatment with this product. Avoid contamination of food during use or storage.

## Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
