

Siduri, named for the Babylonian goddess of wine, specializes in cool-climate Pinot Noir from growing regions across California and Oregon. Our winemakers' constant pursuit of Pinot perfection has led to long-standing relationships with top growers in premier appellations from Oregon's Willamette Valley to California's Santa Barbara County.

2021 PINOT NOIR PERILUNE VINEYARD

The Perilune Vineyard lies in a pocket canyon along Highway 246 in the rugged and windswept Sta. Rita Hills. Perilune features a gorgeous array of steep hillsides and valley floor sections that are a winemaker's dream when it comes to winemaking and blending. Planted in 2017, this vineyard quickly became one of our favorite components for the Sta. Rita Hills blend and the very best barrels were deemed worthy of a single vineyard bottling.

VINTAGE NOTES

The Sta. Rita Hills had a moderate growing season in 2021, with yields slightly below historical averages. The cool mornings, ample fog and longer hang times produced wines with great balance and energy. The Sta. Rita Hills' typical long and cooler seasons - usually stretching out to 200 days from bud break of harvest - produce bright, high-toned aromatics with beautiful floral notes. The 2021 vintage was a textbook example of those conditions.

WINEMAKING NOTES

The debut-vintage 2021 Perilune Vineyard Pinot Noir features our favorite (and incredibly steep) hillside section of clone 114, with just a splash of clone 828 from the valley floor. The wine is rich, with a core of steeped blackberry and plum that is rounded out with accents of cigar box and sandalwood. A light touch of whole-cluster fermentation is used to give the wine additional grip and tension. This wine quickly became one of our in-house favorites and we hope it becomes one of yours as well!
