

3-DRAWER STORAGE CABINET

Review all information before using this product. Save this manual for future reference.

⚠ CAUTION:

Distribute weight evenly throughout the unit to avoid tipping.

INSTALLATION

Secure one mounting tab to the back of the top panel using the short screws.

WARNING: Check for pipes and electrical wiring before drilling.

IMPORTANT: The anchors are designed for use with drywall only, other wall types will require special fittings (not included). When in doubt, consult a professional.

Carefully measure and mark the location of drywall anchor pilot hole before drilling and installing the unit.

Using a power drill with a 5mm bit, drill a hole to 30mm depth.

Insert the wall anchor into the hole until the opening is flush with the wall.

Secure the remaining mounting tab to the wall using the long screws.

Align the mounting tabs of the cabinet and wall, secure using the zip tie.

Care & Maintenance

SAFE USE: Only use on a flat, level surface. Do not exceed the weight capacity of the drawers. To prevent sagging, ensure weight is evenly distributed. **DO NOT allow children or pets to play on OR inside the cabinet.** Keep drawers closed when not in use.

LOCATION: Recommended for indoor use only. Avoid using this unit in locations that may freeze such as an unheated garage, porch or outdoor patio.

CLEAN: When necessary, hand wash the unit with a damp cloth. Do not use abrasive detergents, materials or cleaning tools.

To remove tough dirt and grime, mix mild detergent with warm water and use a soft cloth to gently scrub surfaces. Then, use a clean cloth and clean water to remove any residual detergent. If necessary, use a soft, lint-free cloth to dry the unit.
