

PH	8.00 - 9.50
Non-Volatile Matter	6.30 - 8.30%

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

This product should be inverted before use (before being diluted for cleaning). Use daily for continual cleaning and removal of grease on kitchen floors. Wipe up spills and sweep floor before applying. Prepare solution mixing 2 oz of Brightenz-It with one gallon of fresh water. Mop Brightenz-It on liberally and allow to soak into any soils on the floor. Scrub floor with a brush if needed. Mop up excess solution or squeegee into a floor drain. Do not rinse.

Tackle greasy floors with an everyday, no-rinse floor cleaner fortified with grease-eliminating enzymes. Britenz-It has a unique formulation of surfactants and bacterial enzymes that work continuously to eliminate the greasy buildup that causes dirty and slippery floors. The no-rinse formula allows the specially formulated bacteria blend to produce grease and food eliminating enzymes that will continually work to clean the floor as long as soil is present. Formulated to be used with cold water, saving energy. And, no-rinsing can conserve thousands of gallons of water per year.

Features & Benefits

- Continuous cleaning after application 24/7
- Improve safety by removing grease from floors
- Cost effective concentrated formula
- No rinse formula to save money and be more efficient

Item Number & Unit of Measure

Item Number	HIL0014506
Unit of Measure	1 gal Bottle

Specifications

Color	Purple
Appearance	Clear to slight
Fragrance	Outdoor / Ozone
Formula Type	Liquid
Dilution Ratio	1:64
