Diversey™

Emerel®

R7

Multi-Surface Crème Cleanser

Acidic, mild abrasive formula for difficult stains found on common restroom surfaces.

Features & Benefits

- Clings to vertical surfaces
- Product stays where you put it to increase dwell time and therefore cleaning effectiveness
- Provides controlled sudsing so it rinses freely for a clean, bright surface

Applications

- Ready-to-use, squeeze bottle application.
- Recommended for difficult to clean stains, including buildups, scuffs, grease, rubber marks and soap scum
- Use on porcelain, ceramic, stainless steel, chrome, Formica®, fiberglass and other washable surfaces not harmed by mild abrasives.

Use Directions

Squeeze product directly onto surface or on wet cloth, sponge, or brush.

- Loosen soil with rubbing action, rinse.
- For a bright shine, polish with soft dry cloth.
- On stainless steel, rub with grain.
- For heavily soiled areas, remove gross soil before treatment.
- Always wear appropriate personal protective equipment.

Special Handling

- Always wear appropriate personal protective equipment.
- Do not use on natural wood. Certain surfaces may be unsuitable for commercial strength cleaners. Test in an inconspicuous area.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
