MAKE BAG CHARMS OR NECKLACES

Decide on a design before you begin, so you do not run out of cord.

START WITH YOUR CORD:

For a **shorter necklace** cut cords in half.

For a **long necklace** keep cords full length.

For **braided bag charms** cords can be much shorter, 5 – 8 inches, 13 – 20 cm. Attach to the metal bag clips.

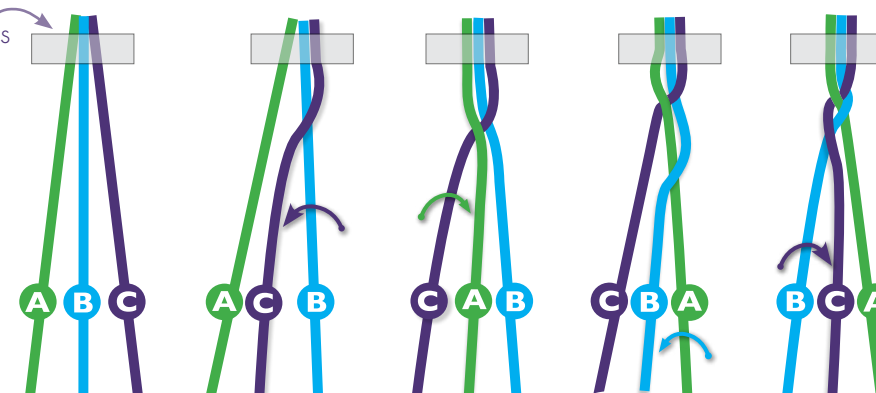

Decide how you would like your cord to look, Here are some suggestions:

BRAIDED FOR BAG CHARM

Select 3 strands in your preferred colors, Cut three equal lengths. Use diagram as a guide.

Tape your strands to a flat surface

KNOTTED

Using one or two strings, tie knots at regular intervals.

TWISTED

Twist 2 strings around each other. Tie knots periodically to secure the twist.
