JACKSON ESTATE®

Sable Mountain
2022 CHARDONNAY
ANDERSON VALLEY

Jackson Estate wines showcase our cherished vineyard estate properties located on rare, coastal California terroir of mountain tops, ridges, hillsides and raised benchland soils. This limited release allows our winemakers to emphasize the extraordinary terroir of our unique properties and craft very small lots for refined palates.

SABLE MOUNTAIN

Soaring at almost 2000 feet above sea level, Sable Mountain Chardonnay comes from our highest elevation site in Anderson Valley. The Navarro River runs through the valley, cutting through the mountains welcoming coastal fog and cold ocean winds to the region. The cool climate and high elevation results in developed flavors and bright natural acidity in Chardonnay.

KEY POINTS

- Elevation:** 1500-1700 feet
- Soil:** Pale loam soils on top of fractured sandstone offer good drainage and low water holding capacity.
- Climate:** The most northern growing region in California with a heavy marine influence.
- Profile:** An aromatic nose showcases ripe honeydew melon and green apple. The palate follows with beautiful citrus notes and bright acid that balance out the soft toasted vanilla notes and rich layered mouthfeel.
