

# 2024 SAUVIGNON BLANC

LAKE COUNTY

## THE STORY

Our first, limited-edition label was inspired by the passion, energy and excitement of the NBA. Raise a glass and celebrate with Kendall-Jackson, **the official wine partner of the NBA.**

## WINEMAKING PHILOSOPHY

For over four decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool, coastal vineyards. We carefully match climates and soil types for each grape varietal and then guide each vineyard lot throughout the entire winemaking process.

## KEY POINTS

- Sauvignon Blanc grown in Lake County contributes floral and citrus notes as well as pineapple, melon, and grapefruit
- High-elevation vineyards with maximum sun exposure give ripe fruit characteristics while maintaining citrus flavors and natural acidity
- Stainless steel fermentation adds to the bright, clean fruit and brilliance on the palate

## TASTING NOTES

*"Aromas of Meyer lemon, white peach, mineral notes, orange blossom, and tangerine. On the palate, this wine is bright and lively with tropical fruit, pineapple, citrus, and quince. Nicely structured, clean and fresh with balance and a lengthy finish."*

KRIS KATO, VP HEAD WINEMAKER
