ILLUSTRATIONS DES PIÈCES

Robinet à osmose inverse, Transitionnel

This exploded view diagram illustrates the components of a faucet assembly. The main assembly is shown on the left, featuring a curved spout and a threaded base. The exploded components are labeled as follows:

- A:** A cylindrical cartridge with a threaded top and a small side port.
- B:** A small O-ring and a small screw.
- C:** A long, thin, L-shaped handle.
- D:** A group of components including a large semi-circular handle, a cylindrical sleeve, a hex nut, and a threaded connector.
