SAFETY (CONT.)

To ensure safe installation and operation, please carefully read and understand the following statements.

Unless the operator is adequately trained and supervised there is a possibility of serious injury. Owners of this equipment bear the responsibility to make certain that this equipment is used properly and safely, and to strictly follow all of the instructions contained in this manual and the requirements of local, state or federal law.

Owners should not permit anyone to touch this equipment unless they are over 18 years old, are adequately trained and supervised, and have read and understood this manual.

Owners should also ensure that no customers, visitors or other unauthorized personnel come in contact with this equipment. It is the responsibility of the owner and the operator to remain alert to any hazards posed by the function of this equipment.

If there is ever uncertainty about a particular task or the proper method of operating this equipment, ask an experienced supervisor.

Note: Please remember that this manual and the warning labels do not replace the need to be alert, to properly train and supervise operators, and to use common sense when using this equipment.

WINCO® prides itself on quality and service, ensuring that at the time of packing, all products are supplied fully functional and free of damage. Should you find any damage as result of freight, please contact your WINCO® dealer immediately.

UNPACKING THE EQUIPMENT

Dispose of all packaging materials in an environmentally responsible manner.

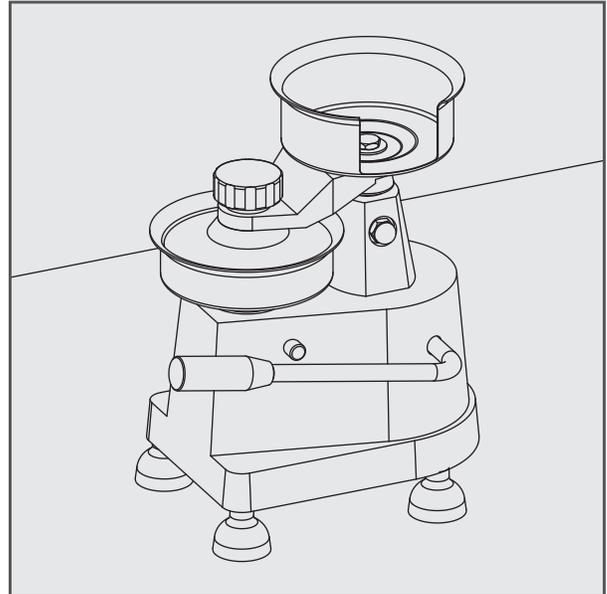

1. Remove all packing materials and tape, as well as any protective plastic and cardboard from the unit.
2. Clean any glue residue left over from the plastic or tape.
3. Place the unit in the desired position and height.

NOTE: SAVE THE ORIGINAL BOX AND PACKING TO USE WHEN REPACKAGING THE EQUIPMENT FOR SHIPPING IF SERVICES ARE NEEDED.

PREPARATION

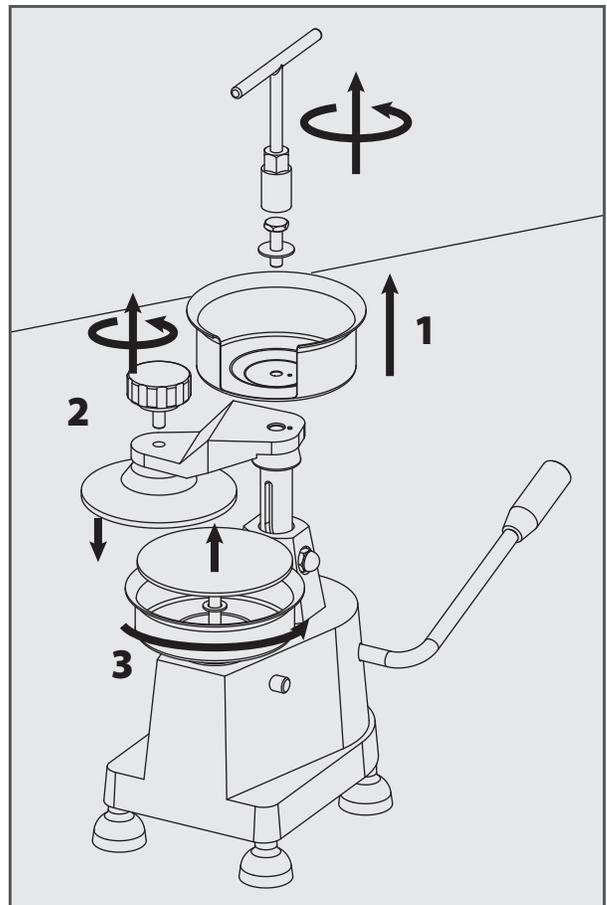

Since the pressers, holding plates, and food trays for different sized patties are interchangeable, you may have more than one set available for use. Before using, please ensure that the parts are correct for the desired size. Gently lower the presser onto the holding plate and food tray assembly to ensure that they align. If it does not, adjustments need to be made prior to beginning.

1. Place the equipment onto a solid, non-slip flat surface. This area should be large enough to allow easy access and cleaning.

CHANGING THE PLATE SIZE

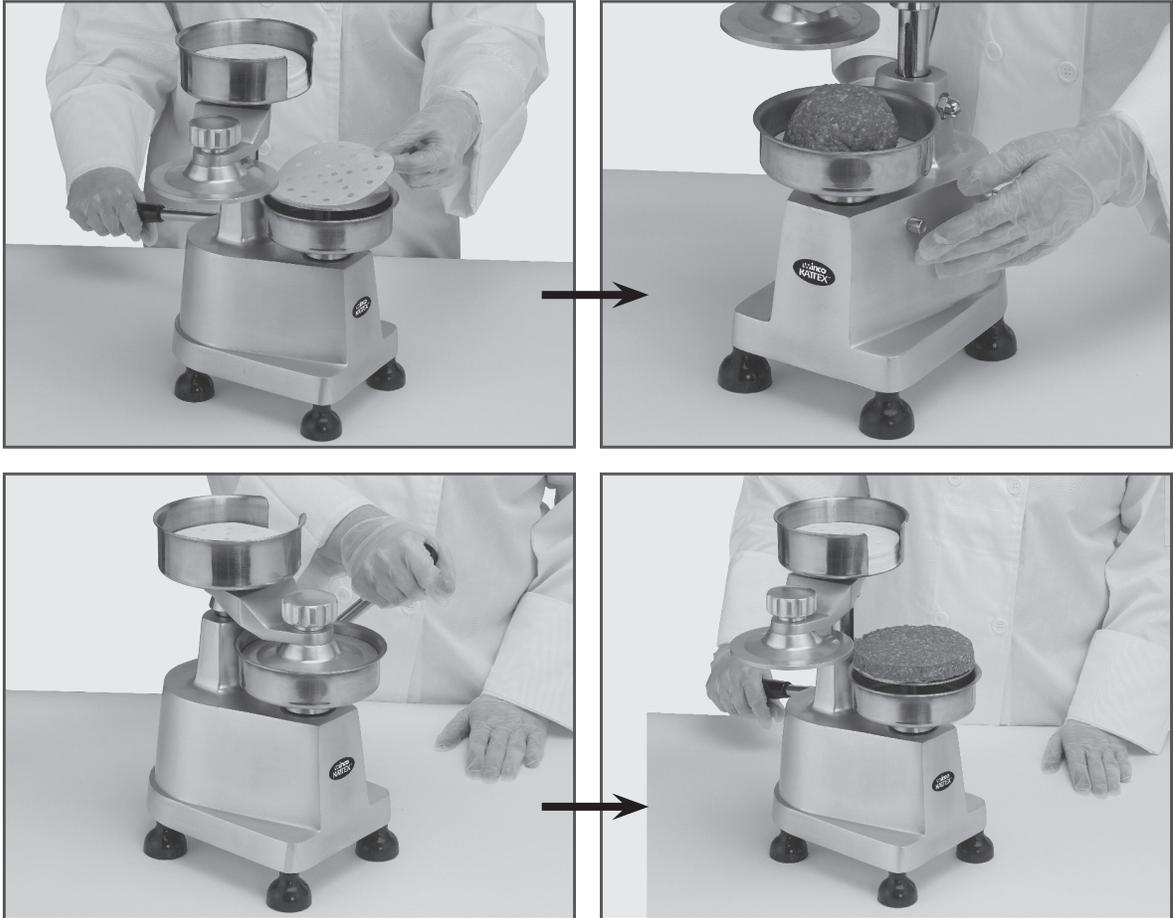

1. To change the paper tray, use the removal tool to unscrew the bolt.
2. To change the presser, unscrew the presser knob.
3. To change the food tray, lift the holding plate and twist the food tray counterclockwise.

OPERATION

Note: 4" (100mm) press is for 1/4 lb patties and 5" (130 mm) press is for 1/2 lb patties.

1. Weigh the meat and roll into a ball.
2. Place the round patty paper onto the holder.
3. Place the meat on the paper.
4. Push the button on the base to lower the food tray.
5. Pull the lever down to form the patty.
6. Lift the lever, which will lift the burger for easy removal.

CLEANING & MAINTENANCE

The burger press must be cleaned daily or after each extended use. Regular maintenance will help prevent unwanted build-up and harmful bacteria growth.

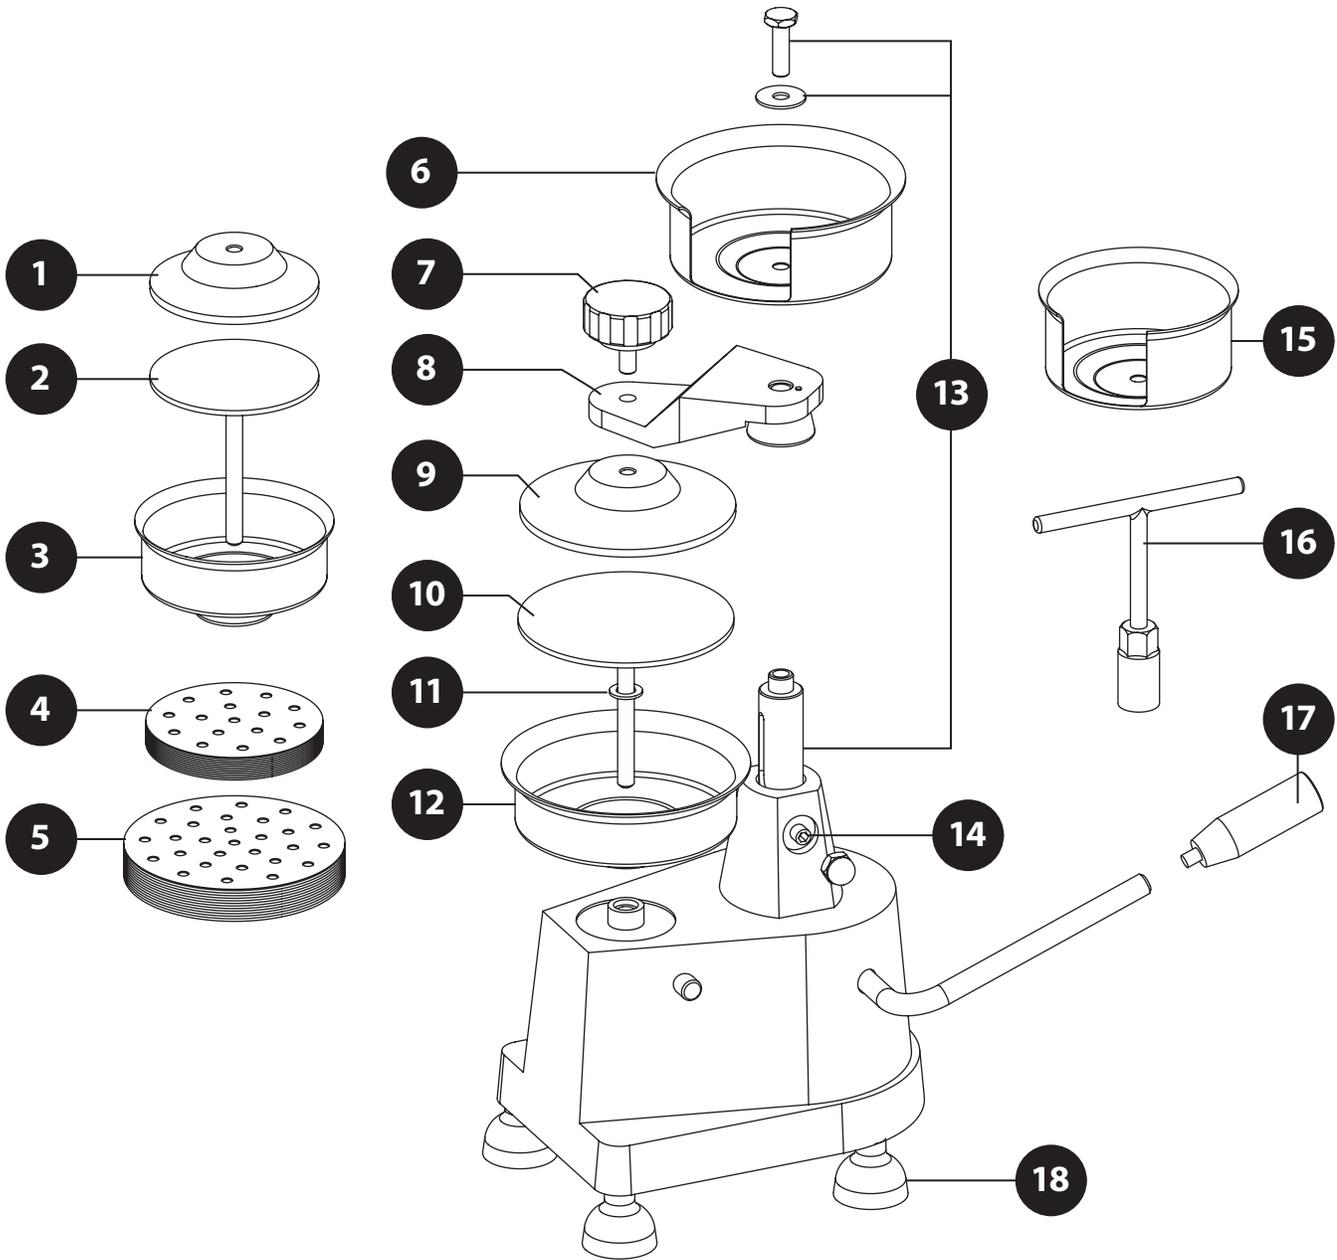

1. Wash parts using warm soapy water

Note: DO NOT allow components to soak.

Note: DO NOT use dishwasher to wash parts.

2. Thoroughly dry parts using a dry cloth or paper towel.
