

BAYFIELD

GDS25 | Direct vent cast iron gas stoves

Crafted in durable cast iron with heat-radiating properties, the Napoleon Bayfield gas stove infuses any home with flair and warmth. Its advanced burner system offers a randomly flickering flame and lifelike glowing ember bed, complemented by the natural wood-burning appearance of the hand-painted logs. Designed with legs for a classic rustic touch, this stove features an included top light for added ambiance, an electronic ignition with battery backup for cost-saving convenience, and ceramic glass for durability. Transform your living area with the charm of the Bayfield gas stove.
