

Non-Butyl Cleaner/Degreaser

Heavy-duty, premium-solvent degreaser for industrial cleaning applications.

Features & Benefits

- Non-Butyl heavy duty premium solvent based degreaser that removes tough industrial soils
- Penetrates through build up of lubricating oils, greases, metal working fluids, carbon, and shop dirt
- NSF A4 and Kosher certified so it is environmentally preferred

Applications

- Great industrial cleaner for power washing, immersion cleaning, and cleaning parts
- Can be used as a spray and wipe, with mop and bucket, or with auto scrubber
- Use mop and bucket or autoscrubber for floors

Use instructions

- Apply with an automatic floor machine or rotary scrubber, mop, brush, sponge or sprayer.
- For heavy soil loads, allow solution to penetrate soil for 3–5 minutes.
- Rinsing is not necessary for normal cleaning applications.

Use Dilution

- Light Soil: 1:64 to 1:128.
- Medium Soil: 1:20 to 1:64.
- Heavy Soil: 1:5 to 1:20.

Use Dilution (Command Center^{TM/MC} and RTD[®])

- Light Soil: 1:200.
- Medium Soil: 1:64 or 1:100.
- Heavy Soil: 1:12.

Special Handling

- Always wear appropriate personal protective equipment.
- For food plant and other industrial use.
- Before using this product in food processing establishments, food products and packaging materials must be removed from the area or carefully protected. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.
- For painted surfaces, pretest in an inconspicuous area.
- Do not use on aluminum or glass surfaces.
- Persons who experience respiratory irritation from this product should increase local ventilation (open windows or doors and use exhaust fan). If respiratory irritation persists, discontinue use.
- When cleaning floors, position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.

Materials Compatibility

- Concrete, most painted surfaces, stainless steel, plastics and rubber.

Technical data	Strata ^{TM/MC}
Certifications	NSF, Kosher
Color	Purple liquid
pH	12.5 (Concentrate) 11.85 (Use Dilution)
Scent	Fragrance Free
Shelf Life	2 Years

Product	Pack size	Dilution	Product code	
Strata ^{TM/MC}	4 x 1 gal. / 3.78 L Containers	1:5-1:128	95272232	
Strata ^{TM/MC}	1 x 55 gal. / 209 L Drum	1:5-1:128	95272283	
Strata ^{TM/MC}	12 x 32 oz./946 mL Empty Bottles		D1225691	

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
