

New Vine

Vintage Inspired

Step into a richer relationship with the land and natural resources that provide your home's floors. Cellar offers elevated, eco-conscious style with stunning cuts of European white oak in 12 easy-to-design-with colors. Sourced and crafted to preserve forest health, timber is harvested from certified forests to uphold the well-being of your home and the planet. Made to be easy to live on, Cellar planks are protected by a robust, scratch-resistant aluminum oxide finish, keeping them simple to clean and pet-friendly.

Barnyard Brut

Green to the Core™

A thick layer of European white oak tops a foundation of sustainable acacia wood for stronger, stratified planks that get 4x as much flooring from each oak tree.

Natural Beauty

Floor colors offer carefully crafted tones and textures designed to create timeless spaces that bring in a touch of the outdoors.

Forest Friendly

Planks meet strict environmental and social criteria aimed at supporting forest conservation, international human rights, and healthy homes.
